

## MANY PRIZES FOR POULTRY SHOW

LARGE LIST OF PREMIUMS FOR  
EXHIBIT TO BE GIVEN BY  
FANCIERS' ASSOCIATION WILL  
BE FEATURE.

## WILL ELECT NEW OFFICERS

The premium list and program for the poultry show to be given in this city from January 13 to 18, have been completed, and will be ready for distribution in the next few days. The list of premiums is a large one and include several ten dollar prizes. The prizes of which there are eighty or more, range from \$1.00 to \$15.00 and are well worth competing for. T. M. Campbell, of Darlington, has been obtained as judge. In a neat little pamphlet, printed at The Herald office, the list of prizes, rules and regulations for making entries in the exhibition and other notes of interest to poultry raisers, are given. Although the date for the show has been set and numerous arrangements for the exhibition made, the room for the show has not yet been chosen. This will be

done, however, in ample time to arrange it for the cages. On January 17, next to the last day of the show, the members will meet for the election of officers for the ensuing year.

The present officers of the poultry association are: Henry Williams, president; Roy Abrams, vice president; Earle Buntin, secretary-treasurer; Mrs. S. C. Perry, assistant secretary; Lewis Watkins, superintendent.

In the preface of the book, the officials of the organization have the following to say:

"Greencastle again makes her bow to the Putnam County Poultry Association and shows her loyalty to poultry interests, and proves her right to be called the 'Mecca of Poultry Fanciers' by offering the most liberal list of premiums of any town in the State west of Indianapolis. The business men of our little city can always be relied on for the most liberal support to those things that tend to improvement.

"It is hoped that all poultry fanciers in Putnam, and adjoining counties will show their appreciation of this liberal support by bring in for the exhibition all their fine birds and thus making this, as it should be, the best poultry show in the west half of the State."

## RACCOON LAD IS AGAIN IN TROUBLE

JAMES WARBRITTON, WHO RAN  
AWAY WITH SIXTEEN-YEAR-  
OLD LADOGA GIRL TUESDAY  
EVENING, CONFESSES CASHING  
FORGED CHECKS AT ROACH-  
DALE.

## IS NOW LODGED IN JAIL

James Warbritton, a lad of only eighteen years, and a son of Mr. and Mrs. Henry Warbritton who live at Roachdale, was arrested in that town Tuesday afternoon by Deputy Sheriff Kelley on the charge of forging the name of Charles Klein, a prominent farmer of that vicinity, to several checks. The officer found young Warbritton in the Wilson merchandise store at Roachdale. He was taken to Roachdale and then brought to this city and lodged in jail. Warbritton, it is said, obtained in the neighborhood of \$100 on checks to which he signed Mr. Cline's name and which were drawn on the Roachdale bank.

During the past few weeks Warbritton has been getting money on the forged checks. He cashed three at the Shepard Clothing store at Roachdale, one for \$35.00, one for \$20.00 and the other for \$10.00. Two were cashed at the Myers grocery, for \$8.00 and \$5.00 respectively. Later Warbritton grew more bold and cashed a check for \$20.00 at the Roachdale bank. All the checks were drawn on Mr. Cline's account.

About two weeks ago Warbritton asked his parents for money and when refused, told them he could get plenty of "cash" at Roachdale. He returned from Roachdale later in the evening with a roll of paper money. His mother became suspicious and told a neighbor that she feared her son was obtaining money fraudulently. The neighbor told Joe Cline, cashier of the Roachdale bank, of the incident.

Mr. Cline became suspicious. A few days later the Warbritton lad went to Mr. Cline's home one evening and asked him to cash a check for \$20.00 drawn on Mr. Klein's account. On examining the signature to the check, Mr. Cline saw it was forged and refused young Warbritton's request. This started an investigation which resulted in the young forger's arrest.

When confronted by Deputy Sheriff Kelley Tuesday afternoon young Warbritton confessed and said that he had been expecting arrest for several days. "They had it one me," said the fellow, "so there was no use to run."

Young Warbritton, who was graduated from the Ladoga high school last spring, was in trouble about the time of his graduation. He and Miss Opal Harshbarger, then a student in the Ladoga high school, left Ladoga on the night of May 22, bound for Terre Haute. The Harshbarger girl, a daughter of Mr. and Mrs. Wilbur Harshbarger, was at that time only sixteen years old.

The girl's parents learned of their departure only a few minutes to late to frustrate their plans. The couple came to this city and boarded a traction car for Terre Haute. The Terre Haute officers had been notified and arrested the two before they left the car. The girl's father, who had followed in the chase, took his daughter home.

It is believed by the local officers that Warbritton was a partner of Vernie Milburn, a former Roachdale character, who was sent to the reformatory about four months ago for forgery. Milburn also forged checks on the Roachdale bank. When Milburn was in jail here he confided to the officers that he had "a partner in the forging business." He said that his "partner" was a young fellow and lived near Roachdale. Before Milburn was arrested and sent to prison, he and Warbritton were close friends, it is said.

It is thought probable that Milburn and Warbritton worked together in their forging operations before Milburn was arrested. The officers will "sweat" Warbritton in an effort to learn whether this is true.

## FRATERNITY ENTERTAINS AT FORMAL PARTY

The members of the Delta Upsilon fraternity informally entertained a number of DePauw girls at a unique summer party given at the chapter house on East Seminary street last night. Decorations and costumes were in accord with the general idea of a picnic in the woods.

The walls of the rooms were entirely hidden under a mass of evergreen while the floors were covered with leaves. Rope swings hung from hidden branches in one room and in another were teeter boards placed on stumps. Special features were the summer house, spring house, and fountain of youth. The latter was a miniature old-fashioned well from which the guests drew punch with a little oaken bucket. In the spring house a realistic spring had been built with a little fish pond below over which was the sign, "No Wading." In the opposite end of the upstairs hall real rabbits were enclosed behind wire netting and bows and arrows were provided to shoot at the animals.

Later in the evening the guests were entertained by a vaudeville given from a rustic stage. After this the guests sought the various nooks and corners about the rooms and a picnic dinner was served in little lunch baskets. A unique part of the dinner arrangements was the old-fashioned coffee kettle that was suspended from a tripod.

The Virginia reel, drop the handkerchief and other old-time games furnished amusements before and after the lunch.

Fifty-two were present at the party. Senator Tilden and wife acted as chaperones. Two members of last year's graduating class were in attendance, Arthur Sawyer of Claytor and Randolph Patton of Hymara.

Word has been received here of the death of John Allen, a former Putnam county man, and a brother of W. A. Allen who lives near Poplar Grove, which occurred in Logan, Iowa, on December 7.

## ECKLES IS BOUND TO CIRCUIT COURT

SQUIRE FRANK REFUSES TO  
DISCHARGE MAN ACCUSED OF  
ATTEMPT TO MURDER AFTER  
HEARING EVIDENCE TODAY.

PLACED UNDER \$500 BOND

Squire Frank this afternoon bound Howard Eckles, of Knightsville, to the Putnam Circuit court on the charge of attempting to murder George Parrish, of Washington township, this county. The evidence was heard this morning and this afternoon. The state introduced its evidence and rested at 3 o'clock this afternoon. Matt J. Murphy, attorney for Eckles, then made a motion to discharge the defendant, saying there was not sufficient evidence for a conviction. Squire Frank overruled the motion, binding Eckles to the Circuit court.

According to Parrish's evidence, the trouble started over a load of hay. Eckles accused him of stealing the hay, whereupon Parrish called him a "liar." Eckles then raised a shotgun to his shoulder and fired at Parrish, according to the latter's testimony. Part of the shot struck him in one side his face, causing a slight injury and cutting away part of his hair says Parrish. Eckles then struck Parrish on his head with the gun. At this juncture, Parrish said, he grasped Eckles and threw him to the ground, refusing to release him until a promise not to start any more trouble was made by Eckles.

Parrish introduced witnesses substantiating his evidence. Eckles was placed under \$500.00 bond to appear in the Circuit court on the first day of the next court term.

## LAW TO ISOLATE CONSUMPTIVES

INDIANA STATE MEDICAL SOCIETY DRAFTS BILL TO BE  
PRESENTED TO LEGISLATURE.

## COUNTIES SHALL PROVIDE

To stamp out tuberculosis in Indiana in less than a decade is the intent of a far-reaching law that will be asked from the coming Legislature by the committee on tuberculosis of the Indiana State Medical Society. The law will propose in substance that each county shall provide a special place for the care of chronic victims of tuberculosis to prevent them from infecting others.

It is estimated that each mature sufferer from tuberculosis paves the way for three others to follow him to the grave through carelessly strewn about the germs of the scourge. To control the "foci of disease dissemination," to strike at the very roots of the dread malady that annually carries off 5,000 Indiana persons by making it difficult for the victim to infect the innocent, to arm the health authorities with summary power, to enter the home where the presence of the disease is suspected and to act drastically when discovered and to compel the medical examination of school children, such are some of the phases of the proposed statute.

That there must be radical reform in the present methods of battling tuberculosis is the position taken by Chairman Dodds of the committee. He says that this is now the generally accepted a law of the medical world; that despite the valorous ten years' fight that has been waged against the disease statistics indicate that about as many persons are dying today of tuberculosis as when the fight was begun; that this is true in face of the fact that the battle has been waged supported by all scientific knowledge reinforced by the hearty co-operation of very extensive and helpful charitable and philanthropic aid.

Isolation is the Cure.

The results have set the tuberculosis experts of the world to thinking and they have now come to the conclusion that the "chronic" victim is the one who keeps the disease going and that unless society takes steps to protect its members from him, the battle against the disease practically will be never ending and necessarily always largely a failure. To quarantine, to segregate, to isolate, to educate, these are the new watchwords of the movement; that the public must "buy" protection from tuberculosis just as it must pay for any other valuable thing is the new point of view in the white-plague campaign, and an effort will be made to impress this view on the Legislature.

"It is my sincere conviction that tuberculosis could be practically stamped out in Indiana in seven years should the Legislature give the health authorities of the state needed powers," said Dr. Dodds in discussing the proposed law. "The situation is very simple, easily to be understood by any one. We can never get rid of tuberculosis until we can control of the hopeless 'chronic.' Our ten years' fight has shown us that he is the one who keeps the disease alive. The biggest part of our ten years' effort has been to get hold of incipient cases and to cure them. We have found that the disease is curable and gratifying success has been met with in that field."

The plan is for each county to take care of its own consumptives in an isolated colony.

Steeg Funeral Tomorrow.

The funeral of William Steeg will be held at the Presbyterian church Thursday afternoon at 1:30 o'clock, and the funeral services will be preached by Rev. Leazenby, of Crawfordsville, assisted by Rev. Beck, of this city. Burial will be in the Forest Hill cemetery.

Have Shipley engrave your gifts. He does this free when he sells the goods.

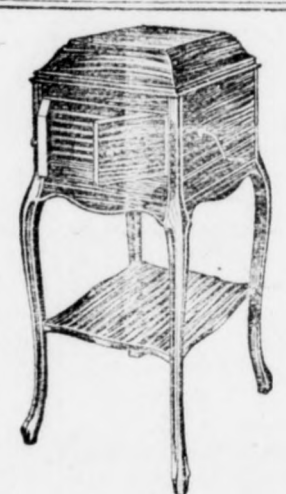

## KNIGHTS TEMPLAR TO HAVE CHARGE OF JAMES FUNERAL.

The Knights Templar lodge will have charge of the funeral services of Joseph W. Janes, which will be held at the Christian church Thursday morning at 10:30 o'clock. Rev. Beard will be the officiating minister. The body will be taken to Crown Hill cemetery in Indianapolis for

burial. The body and funeral party will leave Greencastle on the east-bound interurban car leaving here at 11:25 o'clock tomorrow morning.

The pall-bearers will be Raser Bittles, William B. Vestal, Thomas E. Evans, Jackson Boyd, Edwin E. Black and James McD. Hays.

Roy Abrams went to Terre Haute this afternoon to attend the Terre Haute poultry show.

## Magician, the Third Number.

An evening of magic by Eugene Laurant, in Meharry Hall on Thursday, Dec. 19, will constitute the third number on the DePauw Lecture Course. This is the only magician who has visited the DePauw campus in the last four years, and Keller is the only one who has ever been here who could be classed with Laurant.

The lecture course as an institution has to some degree failed for several years in its effort to satisfy a DePauw and Greencastle need for elevating entertainment. Many of the numbers have been too technical and to high-classed for universal appreciation, but so far this year's course seems to be making a large circle of friends.

The opening number, a concert by the Barrere Ensemble, was an evening of chamber music by wood-wind artists from the New York Symphony Orchestra. The program was classical, but the renditions were so inspirational and the tonal qualities so exquisite that any member of the audience could appreciate and admire its concert.

The next number was a lecture by Maud Ballington Booth on "Prison Work." Mrs. Booth, with a life of action, charming personality and forceful delivery, pleased the audience beyond the point of a mere speaker.

Now comes Laurant, the magician of all magicians. For twelve years he has confined his efforts to the exploration and practice of tricks of magic and illusion. He has gotten the best from all countries and now presents them in a big three-act performance.

## Selling Seals by Telephone.

In Indianapolis, Red Cross Christmas Seals are being sold by telephone. Both the Central Union Telephone Company and the Indianapolis Telephone Company have assigned special operators to the task of calling every subscriber and offering to take their orders for seals. The orders are then delivered by automobiles and the money collected.

The plan is so unique that it is bringing larger results than were anticipated. The first 200 calls made by the Indianapolis Telephone Company brought orders for more than \$50 worth of the little holiday stickers. The idea has been copied by several telephone companies in other towns, the companies realizing that in this way they may make a distinct contribution to the work of selling the seals.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150.00 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this Liniment he was well. For sale by all dealers.

## POSITIVE PROOF.

Should Convince the Greatest Skeptic in Greencastle.

Because it's the evidence of a Greencastle citizen. Testimony easily investigated. The strongest endorsement of merit.

The best proof. Read it:

William Silvery, barber, 9 E. Liberty street, Greencastle, Ind., says: "I have not been bothered to speak of my kidney trouble for a long time. Ten years ago I had disordered kidneys and was told to try Doan's Kidney Pills. I went to Jones, Stevens Co.'s Drug Store and procured a supply. They cured me of my attack. At that time I gave a statement for publication recommending Doan's Kidney Pills and now I willingly confirm all I then said." (Statement given January 7, 1909.)

## Re-Endorsement.

On June 5, 1912, Mr. Silvery said: "Several years ago I gave a statement for publication recommending Doan's Kidney Pills, and as the cure has been permanent, I can still recommend them."

**S. I. FREED ON MAKING NEWS SOPHS LOSE FIRST GAME**

UNITED PRESS REPRESENTATIVE ADDRESSES DePAUW NEWS-PAPER MEN.

FRESHMAN SHOW CONSISTENT TEAM WORK—JUNIORS DOWN SENIORS.

**INFORMAL DISCUSSION FOLLOWS**

Samuel I. Freed, a representative of the United Press Association, read a paper before the members of Sigma Delta Chi and others, who are interested in journalistic work last night at eight o'clock in Plato Hall. He was later entertained in an informal way by DePauw newspaper men at the Phi Delta Theta house.

Mr. Freed has been in Indianapolis for some time organizing the United Press work there. His visit here was upon invitation of Sigma Delta Chi and the department of Journalism.

Mr. Freed's paper was headed "Making News" and he claimed that the newspapers possibilities for doing public service lay greatly in this one line.

"A newspaper's influence may be said to be measured by its ability to make news," he said. "By first turning the facts up, perhaps it uncovers a franchise grab, a coal trust, a mill trust, or graft in some public contract. If we admit that a newspaper can not in a sense make news we admit that newspapers are powerless to assist the evolutionary forces or to change temporary conditions of evil. What then is left of the so-called power of the press?"

The speaker expressed the opinion that the newspapers of the country as a whole have failed to realize or make the best use of this newsmaking power and added that it might be unfair to demand that newspapers be ethical, since they are business properties. There is little of the right kind of ethics in business he asserted.

In speaking of schools of journalism, Mr. Freed asserted that it was within their field to bring "ethics" into newspaper work.

He went to some length to portray the present conditions in country journalism, citing instances and examples from Indiana. The problem of raising these country newspapers to a higher plane is also the work of the schools of journalism.

It is through the courtesy of Mr. Freed that the Daily receives the United Press service twice a week. At the after meeting at the Phi Delta house a discussion was held which covered many phases of newspaper work.

Mr. Freed returned to Indianapolis last night by interurban.

**PROF. NAYLOR LEAVES FOR SOUTH TO SPEND VACATION.**

Prof. J. P. Naylor, of the Physics Department, left at noon today for Garland City, Arkansas, where he will spend about two weeks with his brother-in-law.

Garland City is twenty miles west of Texarkana, and is in the heart of the great lumber regions of Arkansas. The big game in this part of the country is very plentiful and Prof. Naylor expects to spend the most part of the vacation in hunting.

**Juniors Hostess at Tea.**

Yesterday afternoon in the parlors of Art Hall the junior girls were the hostesses at the regular Panthegetarian tea. The Misses Ballard and Callender gave several readings which were well received by the girls. Tea and wafers were served as refreshments.

The Panthegetarian is a society whose aim is to create a more democratic feeling between the girls of the university. The meeting was well attended yesterday.

**CLASS IN DEBATE CAUSES SECOND SHOOTING AFFRAY.**

In the second shooting fray to occur on the campus within a week Wesley Pitkin, sophomore, shot and severely wounded Thomas Needles, senior, in Plato Hall just after chapel this morning. The trouble came as a climax to a petty quarrel that was developed between the two yesterday afternoon.

Plain-clothes men, Minton and Ihach, captured Pitkin immediately following the shooting as he was attempting his escape. His victim was taken to his room at 8 Hanna street.

Pitkin was released this afternoon on bail. When questioned shortly afterward regarding the affair he said that he had nothing to say.

The shooting was a mock affair for a moot trial to be carried on in the 2 o'clock section of the debate class just after the Christmas holidays.

The sophomores suffered their first defeat of the season yesterday when the freshmen got away with the big end of a 26 to 16 score.

The freshmen played a steady, consistent game throughout while the sophomores were far off form. They seemed unable to get together consistently and were unable to find the basket with any regularity. The freshmen guards played close to their men and effectually smothered any attempt of the second year men to break away for a shot. The teams lined up as follows:

Sophomores	Freshmen
Groart	Guthrie
Keisling	Forwards
Martin	Delap
Peyton	Minnick
Booth	Center
Hollopeter	Porter
Meyer	Cook
Summary: Field goals, Guthrie 5, Martin 5, Peyton, Delap 6, Minnick 5, Meyers 1. Foul goals, Guthrie 2, Delap, 2. Referee—Cunningham.	

In the junior-senior game the juniors bested the seniors 34 to 21. The seniors were handicapped by the absence of Pierson.

Coach Cunningham yesterday issued the first official call for varsity basketball practice.

First practice will be held on Monday, December 31. The coach urged every man who expected to try out for a place on the squad to return for the initial practice.

Coach Cunningham stated yesterday that the squad would be divided in two sections. One section will practice in the afternoon and one in the evening. This will enable the coach to give each man individual attention.

It is very likely that the freshman trying out for the squad will be put in one section and the upperclassmen in another.

**CLASS BASKETBALL LEAGUE.**

**LEGAL FRATERNITY PLANS SERIES OF ADDRESSES**

An elaborate refreshing program is being arranged by Delta Nu Epsilon, new honorary, legal fraternity. The speakers comprising this program are men of national reputation in the legal profession.

At the regular January meeting of the fraternity, which will be held at the Sigma Chi house on Monday evening, January 14, the first number of this program is to be given. The name of the speaker for this meeting has not been announced.

**Senior Mackinaws Arrive.**

The Senior Mackinaws of maroon color arrived yesterday and were distributed yesterday and today.

Fifty-three seniors signed up for the class garb. Thirty-three of them are boys and twenty are girls. Only about half the class bought the mackinaws.

**FLORENCE HALL GIRLS HAVE XMAS PARTY.**

The girls rooming at Florence Hall gave a Christmas party last night in the hall parlors. The feature of the evening was a large full-grown Christmas tree and a real-for-sure Santa Claus. The young men boarding at the hall were invited.

**Gessler, '16, Receives Injury.**

While playing basketball in the Airdome Monday morning, William Gessler, '16, stepped into a small hole in the ground and sprained his right ankle. The injury is so severe that he will not be able to walk without crutches for several weeks.

Gessler was playing on one of the freshman gymnasium teams at the time of the accident.

Mrs. J. W. Laudrum, of Terre Haute, is here visiting her daughter, Ruth Laudrum, who has been sick during the last few days.

**DEPUTATION MEN ORGANIZE**

Twenty-nine Men Plan Work for Xmas Vacation.

Preparations have been made complete for the work of the six deputation teams going out from the DePauw Young Men's Christian Association during the Christmas vacation. Secretary Tracy Redding and Chairman Joseph Elliott of the deputation committee, have been busy during the past week making arrangements in the towns to which the men are going. The names of the places with the personnel of the groups as organized this week are as follows:

The team going to Decker is composed of Joseph Elliott, leader, Giles Grady, Glenn Reed, Doris Rue and Walter Cochran. Clyde Wildan, leader, Monte Wilson, Wilbur Stoner, Frank Chapman, and Homer Delap will go to East Lafayette. Roy Hudson, leader, Alvin Athens, Frank Lindehorst, Fred Gwinn, and Howard Berkeypile will go to Linden. The team going to Oaktown is made up of Tracy Redding, leader, Ambler Garnett, Kenyon Gregg, Ben Atkinson and William Gardner. The following men will assist Reverend Dick at New Richmond: Frank Bruce, Vernie Rogers, William Hotchkiss, Carl Lemon and Ora Bogue. Four men will spend the week with a church on West Washington street in Indianapolis. They are Frank Jefferey, Montgomery Wining, LeRoy Schmalzried, and Harry Abbott.

The total of six teams of twenty-nine men from DePauw is a greater number than is being sent out from all the other schools in the state combined. Earlham, Indiana, Butler and Franklin are sending out one team each. "I believe," said Secretary Redding, in speaking of the DePauw delegation, "that we are sending out as many and as good a quality of men as any other school, not only in Indiana, but in the United States."

Until the time school dismisses for vacation the various teams will hold meetings in preparation and in training for the actual work in the field.

Miss Hazel Hardacre spent the day in Indianapolis.

L. H. Athey went to Indianapolis, on business, this afternoon.

John McElroy, who lives near Reelsville, went to Indianapolis this morning to undergo a slight operation.

Mrs. J. J. Harrold spent the day in Indianapolis.

Classes of the university will be dismissed next Saturday and will not be called again until Monday, January 7. The vacation was to have ended on January 3, but action taken by the faculty yesterday afternoon lengthened the vacation four days.

Henry Patterson, age 52 years, died at his home on north Indiana street about 9:30 o'clock this morning of dropsy. The funeral services will be held at the home tomorrow afternoon at 2 o'clock; burial in the Forest Hill cemetery. Rev. Beard will officiate. Mr. Patterson is survived by a widow and one son, Ralph Patterson.

The Red Cross Christmas Seals are being sold in every state of the Union except two. This fact is all the more remarkable when it is recalled that the plan was not started until 1907. In that year Jacob Riis and Emily Biesel sold a Red Cross stamp in Delaware to earn funds for carrying on anti-tuberculosis work. They collected \$3,000. The next year the national stamp came into existence under the auspices of the Red Cross society and this year 85,000,000 seals were printed. Something of the increase in the popularity of the seal is shown by the increased sale in Indiana. In 1910 there were sold in this state about 600,000 and last year the sale amounted to 1,244,000. Two years ago no seals were sold in Texas and last year that state bought 1,250,000.

Word has been received here from Mr. and Mrs. John Dunlavy, Mr. and Mrs. Ernest Roller and Miss Anna Bicknell, who left here some time ago on a motor car trip to Florida, telling of their trip through Kentucky and on to northern Alabama. The letter said the party had turned west from their intended route so as to avoid passing through the mountainous districts. From the letter it is evident that the party is having an excellent trip.

### MONON'S NEW TRAIN MAKES INITIAL RUN

"The Kentucky Colonel" passed through this city Tuesday afternoon. The "Colonel" is one of the new passenger trains on the main division, the Monon route which passes southbound through this city at one two-fifty-five each afternoon. Probably better train can be found on any route in Indiana than that from Chicago to Louisville on the Monon line which made its first trip today. A number of people were at the station to view the new train. They were impressed not only with the beauty of the coaches, but also with the apparent safety of the whole train. A heavy steel beam runs beneath each car, entire length and it seems that cars could not possibly telescope another in case of a collision.

Behind the engine is the full postal car, then the complete baggage and express coaches, the smoking car, ladies' car, large cafe coach, library, and finally the parlor and observation car, with a large platform on the rear. Each car is beautifully finished in mahogany each has a wheel truck and each is complete with large and commodious toilet and lavatories. The dining car service is said to be excellent, a popular table d'hôte dinner being served on the rear of the train later.

As the train stopped at the station Conductor Charles Ellis stepped from the rear platform, his chest inflated and wearing a superior smile. The colored porter, a happy grin spread all over countenance. All of the train crew are very proud of the "Colonel."
